

# The Goodwill Mission

Our mission is to help individuals with disabilities and disadvantages reach their full potential by becoming self-sufficient and independent through access to education, employment, training, and housing. To fulfill this mission, Goodwill offers skills assessments, skills trainings, job placement services, job retention services, disability-accessible housing, and employment in its own facilities.

# GED Topics & Lessons

Our training labs are set up to provide online instruction in five GED subject areas. Each subject contains a pre-test, numerous lessons, and a post-test:

- Mathematics
- Language Arts (Writing)
- Language Arts (Reading)
- Social Studies
- Science

**goodwill**

## The Goodwill Advantage

Our Tallahassee classroom instructor is certified through Leon County Schools. Our Panama City instructor works in partnership with Gulf Coast Community College. And all our services are free to the community!

- One-on-one instruction
- Self-paced study
- Multiple teaching approaches
- Hands-on workbooks & worksheets
- On-line lessons

## Online Instruction

Our Computer Labs in Valparaiso, Panama City, Tallahassee, Chipley, Marianna, Port St Joe, and Thomasville are equipped with interactive online software and workbooks to prepare for the GED.

- Take pre-tests in each subject
- Complete assigned GED lessons
- Take post-tests in each subject
- Take the GED practice test
